Sir:

Attached on Form PTO-1449 is a supplemental list of publications which are possibly relevant to considerations of the patentability of the above-identified application. A copy of each publication is attached.

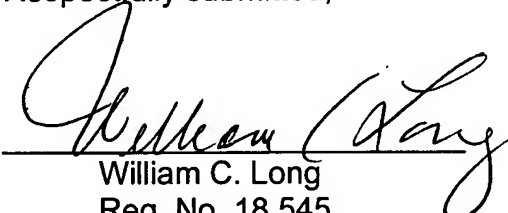

The references were cited in the international Search Report dated May 28, 2003 for the corresponding International Application PCT/US03/05503.

Since this Information Disclosure is being submitted within three months from the filing date of the subject application, it is believed that no fees are due at

this time. Should this be incorrect, authority is hereby given to charge any deficit amount to Deposit Account No. 12-2138.

This statement shall not be construed as a representation that a search has been made or that no other material information exists.

Respectfully submitted,

William C. Long
